

Mission Statement

We will foster independent learning and citizenship in partnership with and for the benefit of our Mosier community. Students will become global citizens who analyze their world in a critical and equitable manner, while respecting the richness and diversity of all living things.

About Us

- ❧ We are Mosier Community School, a Pre-K through grade 8 charter school nestled near the banks of the Columbia River, between Hood River and The Dalles.
- ❧ Our dedicated team of educators foster independent learning and citizenship for students to explore, imagine, and excel in all stages of their academic journey.
- ❧ Multiage, project-based learning environments and small class sizes make our school the ideal place for your child to thrive.

- ❧ Pre-K Program
- ❧ Elementary Program
- ❧ Middle School Program

Pre-K Program

for
4-year
olds

Transitional Kindergarten Explorers

- Provides a joyful, hands-on learning experience that builds on the group's unique interests and passions.
- Students learn to communicate their individual needs through social emotional skill development.
- Improves academic readiness by teaching pre-literacy and math skills in a structured educational environment.
- Language and communication skills are developed together with creativity and curiosity through guided exploration.

4 days per week: M, T, Th, F

Elementary Program

Multiage Learning Environment

- Accommodates all types of learning
- Students learn on their own developmental timetable
- Increases opportunities for cross-age interaction & social development
- Supports cooperation rather than competition
- Increases leadership & problem solving skills

Small Class Sizes

Flexible Skill Level Instruction

 **Tiger Track Rotations**
e.g., Art, Music, PE, Keyboarding,
Science & Geography
